

# The Specialized Spendthrift Trust

Everyone has heard of a “trust”; there are many kinds and they can be used for many reasons. Some of these reasons include passing down wealth or protecting trustees and assets.

However there is only **ONE** trust that is **copyrighted**. It's a **Non-Grantor, Irrevocable, Complex, Discretionary, Spendthrift Trust**. All of these descriptors are crucial for this trust to comply with IRS rules and accomplish what it does. And there is nothing like it on the market which is why it's the only trust that is copyrighted.

## SPENDTHRIFT TRUSTS ARE USED FOR:

- 1 **Shielding assets from litigation**
- 2 **Deferring Taxes**
- 3 **Personal and financial privacy**
- 4 **Managing assets**
- 5 **Complimenting or replacing wills**
- 6 **Preserving estates for future generations**
